Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is a copy of a Russian Office Action issued in a corresponding Russian patent application and copies of three (3) prior art references cited therein. For the Examiner's convenience, Applicant has enclosed a completed Form PTO-1449 listing the prior art references cited in the Russian Office Action. Further, although the Russian Office Action cites JP 10-53844, Applicants do not include a copy of the reference herewith as the reference has been previously cited in an Information Disclosure Statement filed on August 18, 2003. The statement is not

a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application.

Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the disclosed examination report be made of record in the subject application.

Respectfully submitted,

Date: March 7, 2005
